

# COM Library Group Instruction Questionnaire

**Instructor:** Please complete and return to the COM Library Reference Desk

**Orientation Date:** \_\_\_\_\_ **Course and Instructor:** \_\_\_\_\_

Note: The assessment results will be used by library faculty to improve student learning and create dialogue among faculty related to student learning of information literacy skills. The assessment results will not be used for faculty evaluation.

## 1. SLO Information Literacy Assessment 1: Accessing Resources

The reference librarian assisted my class with information related to differences between Library Resources? **Yes or No** (Please circle one. If you answer no, please move to question 2.)

As a result of the reference librarian interaction with my class, the students should now be better able to *identify access points and locate sources*, both in the online catalog and the subscription databases.

Agree  Neutral  Disagree

**Comments:** \_\_\_\_\_

## 3. SLO Information Literacy Assessment 3: Applying Information and Citing Sources

The reference librarian assisted me today with information related to *applying and citing the information sources* to my assignment or information need? **Yes or No** (Please circle one. If you answer no, please disregard the question below.)

As a result of the reference librarian interaction with my class, the students should now be better able to select information from the chosen sources and apply it to my assignment. They were also informed of the importance of citing these sources, following the rules of an accepted style guide.

Agree  Neutral  Disagree
